

Maintenance Kits

Customized Kits for Your Entire Fleet

FINALLY... customized Oshkosh AeroTech equipment maintenance kits developed around the way **YOU** service your equipment! Not everyone's GSE fleet is the same and there is no "one size fits all" when it comes to developing a PM program for your operation.

- **Easy To Order** – Single p/n for all necessary filters for specific maintenance service (500 Hr. & 2000 Hr.)
- **Customized** – Developed by s/n for engine, options, etc.
- **Comprehensive** – If it's in the box, it needs to be replaced
- **Cost Effective** – OEM quality for best equipment performance

Fluid Analysis Included

- Available for engine oil, hydraulic oil, antifreeze or fuel (1 analysis included in annual kit)
- Includes mailer tube & prepaid mailer bag to ship UPS (North America)
- Analysis results included in price of Maintenance Kit
- Fast results provided via email
