When support IS the mission

AgilePower from Oshkosh AeroTech is a modernized ground support cart (AGPU 1.1) that uses proven technologies, configured in a unique way, to combine pneumatic, hydraulic, and electrical power systems into a single, compact, fuel efficient, air-transportable cart. Powered by proven diesel engine technology, the AgilePower combination cart from Oshkosh AeroTech provides reliable air, hydraulic and electrical power with diesel engine fuel efficiency, reliability, and operational quiet.

Why AgilePower?

AgilePower offers a complete solution of electric, pneumatic, and hydraulic power sources, using reliable diesel power that is easy to maintain, quiet, and fuel efficient.

Contact Oshkosh AeroTech for more details.

AgilePower Characteristics	
Hydraulic System	1 - 20 gpm @ 500 - 3500 psi
Pneumatic System	30 - 40 lb / min @ 30 - 50 psig
Electric System	400 Hz, 72 kVA
	28 VDC @ 500 Amps
	120 VAC, 60 Hz x 4 outlets
Length	149 in / 3.78 m
Width	70 in / 1.78 m
Height	70 in / 1.78 m
Weight	9500 lbs wet / 4300 kg
Engine	Diesel Cummins QSB6.7 Tier 3
Fuel Type	Diesel, JP-5, JP-8, Jet-A
Air Transportable	CH-47, C-130, C-17, C-5, also as a sling load
Aircraft Supported	AH-64, CH-47, UH-60, UH-72
Sound	Approximately 90 dBA
